to me

Good morning David,

It was a pleasure speaking with you last week. Further to our conversation, please see suggested wording for the extreme weather related request – please let me know you are in agreement, then I will send a formal acknowledgment letter to you for both requests.

All emails (sent and received, excluding attachments, Media Watch or TNO records), any MS Teams Chat/Channel history, briefing notes, issue notes, decision notes or other documents regarding extreme weather event, atmospheric river, flooding, landslides or mudslides. Restrict search to E-Comm 911 Executive Leadership Team.. (Date Range for Record Search: November 16, 2021 – January 12, 2022)

Thank you for your additional request. I do not foresee any issue with the wording of the request and will begin the process on our end today.

I will send you the previously released records shortly.

If there's anything further you require, please let me know.

Sincerely,

Krystal Boros (she/her), Acting Corporate Secretary and Freedom of Information Officer
