Requesting information on your own behalf? Yes

Category of Requester: Media

Right of Access: Individual/corporation currently present in Canada

Method of Delivery: E-mail

Act & Record Selection

Act: Access to Information Act

Type of Records: Corporate Records

Details on information being sought:

- All briefing notes prepared for the Minister of Citizenship and Immigration from 2nd September, 2015 - 4th November 2015 concerning the rejection of Aylan Kurdi and his family's refugee application to Canada. This should also include all emails to and from the minister about this subject. Please do not process records of cabinet confidence. As this request is being made in the public interest, I ask that all fees be waived. Please contact me when any records are ready for release.

Attach Documents

Please note that after you submit your request, an acknowledgement e-mail, along with a copy of your payment receipt, will be sent directly to the e-mail address provided above.

You will receive the acknowledgement e-mail within the next 15 minutes. Submitting multiple applications for the same service will not speed up your application.

IRCC is receiving more requests than usual and is working to respond to them as quickly as possible.

I certify that the information provided is true and wish to submit this request.
